*Texas Wildlife Discovery Hunt*  
This special exhibit has been made possible through the generosity of the Trammell Crow family.

Principal Partner, **The Dallas Morning News**  
The Arboretum is sponsored in part by the City of Dallas Parks and Recreation Department.

## Design Credit:

Under the guidance of Trammell Crow, these bronze-pieces were designed and produce by Art Technician David Iles and students from the University of North Texas, School of Visual Arts, Denton, Texas.

## Directions:

1. Begin at the entry to the Lay Ornamental Garden. Use the map on the right to guide you: the number on each question also marks each animal location.
2. Info signs are found next to each animal. These signs will give you clues to the hunt. If you are having trouble, answers are found on the back of this booklet.
