ABOUT ARTSCAPE

Delight in the joy of spring when Artscape, the Dallas Arboretum's juried fine art and fine craft show and sale, brings together outstanding artists from around the country. The show features a variety of mediums including Painting, Sculpture, 2-D and 3-D mixed media, photography and more. Listed as one of the 15 most beautiful gardens in the world by Architectural Digest, the Arboretum is a perfect complement to the beautiful artwork selected for the show. The layout for the show is architect-designed for maximum visibility of artists and audience flow. A blue ribbon committee has reimagined Artscape and is adding inventive, audience-pleasing elements that should attract larger crowds of people anxious to experience the excitement.
